

ALITI FASHIONS

MEASUREMENT GUIDE

PLEASE TAKE ALL MEASUREMENTS IN INCHES

FRONT MEASUREMENTS

1. CHEST CIRCUMFERENCE: Full measurement of the chest all around from the front to the back and round to the front again.
2. WAIST CIRCUMFERENCE: Full waist measurement
3. LOWER WAIST CIRCUMFERENCE: Full lower waist measurement
4. HIP CIRCUMFERENCE: Measurement taken at the fullest part of the hips
5. INSEAM: Measurement taken from crotch to ankle (inner leg)
6. BODICE FULL LENGTH: Measurement taken from where the neck connects with the shoulder, over the chest and to the waistline.

BACK MEASUREMENTS

7. SHOULDER WIDTH: Measurement from shoulder point to shoulder point
8. SLEEVE LENGTH: From shoulder point to elbow to wrist.
9. SIDE SEAM: Measurement from the bottom of the armpit to the waistline.
10. BODICE FULL LENGTH: Measurement taken from where the neck connects with the shoulder, down the back and to the waistline.

OTHER MEASUREMENTS

11. FULL LENGTH: Measurement from the shoulder point to the ankles
12. CROTCH LENGTH: Measurement from the front waistline, between the legs and back up to the back waistline

Make sure the measuring tape is not loose when taking your measurements. There should only be enough room for 1-finger between the measuring tape and your body, when your measurements are taken.
